

Local Information Events – Community and Voluntary Cross border Recovery Infrastructure

Are you:

- a group interested in improving the mental health and well-being of people living in local communities?
- keen to support individuals to take responsibility for their own mental health and well-being with support from a recovery college/ education ethos?
- willing to facilitate a cross border Service User/Carer Forum and signpost to / develop structured recovery health and well-being programmes
- willing to be part of a larger recovery network of Hubs across the border region of Ireland/Northern Ireland

**Note: List of Hub areas in Ireland/Northern Ireland listed on next page*

If your answer is yes then come along to one of our Local Information Events listed below:
