

Anxiety, School Refusal, Depression & Self-Harm in Adolescence

Bronagh Starrs

What's Wrong With Me??

Job Description:
 Managing & Structuring a safe and appropriate developmental field for the child.

Desirable Criteria:
 Have a fairly good sense of a child's developing inner world so as to be able to adjust supports, challenges, safety boundaries and parameters of privacy etc. which all changes over time with increasing age. Have a coherent self-process as well as significant current other-supports for that process, beyond the parent-child relationship itself.
